---

**SUBJECT INDEX (Volume19– 2015)****SUBJECT INDEX (Volume19– 2015)**

**Subject index of research papers published in the "University of Aden Journal of Natural & Applied Sciences", and their authors  
Volume 19 (April- August- 2015)**

**AGRICULTURAL SCIENCES**

| No | Paper's title                                                                                                                                    | Author/s                                                                                     | No | Page No   | Lang. of Pub. |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|----|-----------|---------------|
| 1  | The effect of different levels of nitrogen fertilizer on the growth and yield of coffee trees ( <i>Coffea arabica</i> L.)                        | Abdo A. Alnomir,<br>Abdo M. Alhadi,<br>Khalid A. Alhakimi<br>and Ali M. Hadi                 | 1  | 129 - 139 | En            |
| 2  | The effect of growing media and stem cutting type on rooting and growth of <i>Bougainvillea spectabilis</i> plants                               | Ahmed M. Eed, Bilal Sultan and Albana'a Almaqtari                                            | 1  | 141 – 147 | En            |
| 3  | The effect of water stress on the productivity of three maize ( <i>Zea mays</i> L.) cultivars under Delta Abyan conditions                       | Mohsen Ali Ahmed<br>and Abdullah El-Abd Ahmed Hail                                           | 1  | 1 -11     | Ar            |
| 4  | The effect of nitrogen and phosphorus fertilization on some vegetative growth of three sunflower ( <i>Helianthus annus</i> L.) cultivars         | Abdulfattah<br>Mohammad Nassr<br>and Ali Aidrous<br>Assakkaf                                 | 1  | 13 – 23   | Ar            |
| 5  | The effect of nitrogen, phosphorus, iron and zinc fertilization on vegetative growth of maize ( <i>Zea mays</i> L.) under Delta Tuban conditions | Adel Ibrahim AL-Kendi and Ali Khames Basbaa                                                  | 1  | 25 – 34   | Ar            |
| 6  | A survey of weeds found in citrus and pepper fields of As-Sharaa village, Wadi Murran, Mudia District, Abyan Governorate, Yemen                  | Mohammed A. Hussein, Othman S. S. Al-Hawshabi, Abdul-Hakim Abdul-Ghania and Amani F. Qardash | 1  | 35 – 41   | Ar            |

## SUBJECT INDEX (Volume19– 2015)

|    |                                                                                                                                    |                                                                                                         |   |                  |           |
|----|------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|---|------------------|-----------|
| 7  | <b>Effect of irrigation intervals and nitrogen fertilization on growth and yield of two maize hybrids</b>                          | <b>Mohammed Ali<br/>Maged Saeed Hassan,<br/>Salem Bamuaafa and<br/>Husain Mohammed<br/>Abd El-Rahim</b> | 2 | <b>323 - 335</b> | <b>En</b> |
| 8  | <b>Effect of nitrogen fertilization on some growth characters of long staple cotton (<i>Gossypium barbadense</i> L.)</b>           | <b>Roiss M.S.A. ,<br/>K.M.O. Dawlat and<br/>M. A.A. Saleh</b>                                           |   | <b>249 – 258</b> |           |
| 9  | <b>The effect of different doses of nitrogen, phosphorus and potassium on growth, yield and quality of <i>Carica papaya</i> L.</b> | <b>Omer Obeid<br/>Mohamed</b>                                                                           | 2 | <b>259 - 265</b> | <b>Ar</b> |
| 10 | <b>Evaluation of some maize cultivars at different levels of plant density</b>                                                     | <b>Mohammed Ali<br/>Hassan, Ali El-Sayed<br/>Hammed and Ameen<br/>Mohammed Ali</b>                      | 2 | <b>267 – 277</b> | <b>Ar</b> |

## ANIMAL PRODACATION

| No | Paper's title                                                                                                                                  | Author/s                                                                              | No | Page No          | Lang. of Pub |
